

Raglan Lodge Access Statement

Access to the lodge is via a tarmac drive. There is one step into the main entrance which leads in to the fully equipped kitchen. The flooring is non-slip and washable.

A sitting room, which is carpeted, is situated to the left of the kitchen.

There is one twin bedded room on the ground floor which is accessed through the kitchen and small inner hallway.

The bathroom is also off this hallway and consists of a bath with shower over, a WC and washbasin. The flooring is a non-slip and washable.

The second bedroom is accessed via a staircase and is a twin bedded room which is carpeted.

Doorways throughout the lodge are of standard width.

Outside, the property has space to park 4 cars on a large tarmac drive. There is a large garden area with a picnic bench and the lodge is also equipped with a BBQ

Because of the location of the cottage mobile signal is very poor however there is a payphone sited within the cottage. This cottage does not have Wi Fi
